# When *tranquility* and *harmony* are most valued

Unlike the cramped balconies of nearby buildings, this residence features a 95-meter private terrace complete with an automatic cooling pergola

Bedroom serenity — an investment in restorative sleep

Soaring ceilings and an abundance of natural illumination

A grand dining table, ideal for gatherings of family and friends

## Additionally:

The penthouse is presented furnished, allowing for design customization through furniture replacement

Recently renovated in autumn 2023, this pristine penthouse remains untouched post-renovation

Unparalleled security — the residence shares a courtyard with the French Embassy

Concierge services with a focus on resident autonomy

Two expansive, secure garages within the building, valued at approximately €1 million, on the 3rd floor, and a private storage unit on the 5th floor

A gourmet kitchen outfitted exclusively with Miele appliances, including a Teppanyaki grill and wine storage unit

### FUNCTIONALITY

|                                                                                     |                                                      |                                                                                     |                                                                                       |                                     |   |
