In the heart of Beausoleil, overlooking the Principality of Monaco, new project offering exceptional views of the sea, while remaining protected from vis-à-vis.

The architectural lines are contemporary in style and in a sleek and dynamic style, with its rectilinear volumes and taut lines.

The facades have large openings, allowing great light all year round.

The wide balconies and roof overhangs are highlighted by marked horizontalities and verticalities, treatments of textures, materials, screen and vertical walls. These create framing of views of the Mediterranean and the principality and large spaces.

Finally, the roofs, as well as the gardens designed on the various terraces, offer sunny and pleasant natural spaces.

A heart of the island of greenery and freshness is thus created for the benefit of the residents of the residence.

This 2-room apartment consists of an entrance, a living room with open kitchen, a bedroom, a bathroom, a guest toilet and a terrace.

A garage in the basement.

Delivery scheduled for 2nd quarter 2027.
