An elegant hallway leads into the spacious living room.

The large floor-to-ceiling windows provide wonderful sunlight throughout the day thanks to their south-facing orientation. The adjoining terrace offers a breathtaking view of the sea. A fireplace makes for cosy evenings and rounds off the ambience.

A corridor leads along an open bookcase into the modern, fully equipped kitchen, which is fitted with high-quality Miele appliances.

The two large, light-flooded bedrooms offer plenty of space thanks to beautiful built-in wardrobes and both rooms have access to the terrace. They are equipped with a small office corner as well as en-suite bathrooms, which are fitted with fine marble, double washbasins and high-quality fittings. The larger of the two bathrooms also has a free-standing bathtub.

A further walk-in wardrobe and a practical utility room for washing machine and tumble dryer complete the well thought-out room layout. A separate guest toilet provides additional comfort.

The apartment was finished to a high standard with the utmost care and using the highest quality materials. The floor was laid with beautiful wooden parquet throughout the flat and the walls were given a special elegance with decorative mouldings.

The flat includes a cellar room and a parking space.

This spacious 3-bedroom apartment consists of an entrance hall, a generous living/dining area opening onto a terrace with sea views. A separate, fully equipped kitchen, two beautiful bedrooms each with en-suite bathrooms and a guest toilet complete the offer.

The property also has a cellar room and a parking space.
