This beautiful office has recently been modernized by a well-known interior designer using the finest materials. It is located in a very quiet area in a building in front of the Fontvieille port, close to very good restaurants and cafes.

Thanks to its large corner windows, a lot of natural light enters the office. From here you have a wonderful view of the surrounding gardens and the sea.

This office has great potential for a company because of the perfect location, equipment and furnishings.

The office currently has three individual independent office spaces, a meeting room, a fully equipped kitchen and two toilets.

The office is rented with a cellar.
