The new Mareterra district is inspired by two complementary elements, the sea and the land that define its coastline extension project, formerly known as Portier Cove is the eco-friendly development that shapes the Larvotto Bay in Monaco.

The Mareterra project offers investors apartments, penthouses, townhouses with luxurious finishes and a selection of rare waterfront villas. This area, largely pedestrianised, is complemented by shops, green areas with a large lush park, leisure areas, an underground car park and a port with a small marina.

This exceptional apartment located in the prestigious area of Mareterra, benefits from large interior space opening onto several terraces with panoramic sea views, several bedrooms and parking spaces.
