Mareterra is a largely pedestrian district where a lush park, a small port, a single-storey esplanade overlooking the sea, an underground car park and a large residential and commercial offer coexist.

For the inhabitants of Monaco, Mareterra represents a new and essential link with the sea, from Port Hercules to Larvotto beach.

Very nice 5-room apartment of 528 m2 of living space and 151 m2 of terraces.

It consists of an entrance, a large living room offering a magnificent sea view, three bedrooms including a master bedroom with dressing room and bathroom, a laundry room and a kitchen.

The apartment has three large and beautiful terraces.
