In the heart of Beausoleil, overlooking the Principality of Monaco, this new project offers exceptional views of the sea, while preserving the privacy of the residents.

The contemporary architecture is distinguished by a sleek and dynamic style, with rectilinear volumes and taut lines.

The facades, with large openings, guarantee optimal light throughout the year. The continuous balconies and roof overhangs are enhanced by a subtle play of horizontalities and verticalities, as well as by various treatments of textures and materials, including screens and vertical sails. These elements create unique frames on the Mediterranean and the Principality, while offering vast outdoor spaces.

The roofs and gardens, carefully laid out on different terraces, offer sunny and peaceful natural spaces. A verdant and refreshing heart of the block has been designed to offer comfort and well-being to the residents.
