This flat has been beautifully restructured, with the advantage of an alcove separating the night area from the day area. All the finishes and woodwork have been made to measure by Italian craftsmen. The flat has air conditioning, armoured door, videophone, etc.

Just a stone's throw from the Carré d'Or, in a charming bourgeois building close to Monte Carlo's Mediterranean market, we are delighted to present this beautiful studio apartment, which has been tastefully renovated to a very high standard and boasts a range of contemporary features. The flat is located on the top floor of the building and is extremely bright.

The flat comprises :

Hall, fully fitted kitchen, shower room, sleeping area with dressing room and cupboard, living room with library opening onto a very attractive terrace.
Lovely city views with sea views.

The flat is bright and has been renovated in a symphony of white and black ...
