The open-plan living space is finished with solid wood flooring and comprises a state-of-the-art Poggenpohl kitchen with Miele appliances, an elegant dining area, and a stylish lounge. A breakfast island and sleek bar area with built in wine chiller further enhance the space.

The dining area, with seating for eight and a curated sideboard display, flows seamlessly into the inviting living space. A large corner sofa, refined armchair, and a large TV with Sonos sound system make this the ideal setting for both everyday living and entertaining.

Floor-to-ceiling sliding doors open onto a spacious terrace perfect for admiring the panoramic views. The outlook across Port Hercules, the Palace and the Mediterranean is truly exceptional.

The serene master suite enjoys the same breathtaking vistas, with bespoke furnishings, a Sonos-equipped TV, and a generous dressing room offering extensive storage. The luxurious en suite bathroom features underfloor heating, double basins, a large walk-in shower with multiple settings, and a high-tech toilet. A versatile second office/bedroom space includes innovative bunk-style beds, ample storage, and a refined en suite with bath/shower. Additional conveniences include a large utility room with laundry facilities and storage, as well as a separate guest WC.
