La Condamine is the liveliest Monegasque district, it is located in the heart of the principality between Monaco Ville, Monte-Carlo and Port Hercule. It is a very lively and sought-after district because many like its pedestrian walkways and the famous Condamine market, open every day of the year. Many international events take place there such as the Formula 1 Grand Prix, the Jumping or the Yacht Show. It benefits from a central position with direct access to Monaco train station and is located between all the schools in the principality, including the Monaco School of Music, the International School of Monaco and the Condamine School.

CONDAMINE - In a bourgeois building without elevator, fully furnished 3-room apartment on third floor ideally located near the Place d'Armes and the port.

It has an entrance, a spacious living room, a fully equipped open kitchen, a master bedroom with en-suite bathroom, a second bedroom opening onto a small patio with laundry room with guest toilet and shower.

Reversible air conditioning, home automation, high level services.
