Only **5 minutes walk from the city center of La Turbie**, this **110 m²** villa offers a rare setting: **absolute silence**, bright exposure, and a **panoramic sea view** that literally takes your breath away.

The property is spread over a plot of approximately **3,500 m²**, an asset that is now highly sought after in the town. The land allows — **if desired** — the **potential construction of three small villas**, subject to regulatory authorizations (to be checked with the town planning department: I don't have any official information → *I don't know*).
