15TH CENTURY PRIVATE HOUSE IN MONACO VILLE NEIGHBOURHOOD WITH LOVELY SEA VIEWS AND THE POTENTIAL TO ADD 3 FLOORS.

Within a short walk from the Palace, located in a charming street, we come across this wonderful house with panoramic views to the east, over the main port and the sea. Originally built in the 15th century, this property carries a rich history. The current space arrangement consists of 4 bedrooms with bathrooms, 2 sitting rooms, a large kitchen and a dining room, all situated between two quaint little streets with magnificent views from the front. On top of them, there is a beautiful roof garden overlooking Monaco.

There is a lift between the floors and, in 2017, the property was granted planning permission for extension by three floors, which included a spa and a garage complex.
