In the heart of Beausoleil, overlooking the Principality of Monaco, new project offering exceptional views of the sea, while remaining protected from vis-à-vis.

The architectural lines are contemporary in style and in a sleek and dynamic style, with its rectilinear volumes and taut lines.

The facades have large openings, allowing great light all year round. The wide balconies and roof overhangs are highlighted by marked horizontalities and verticalities, treatments of textures, materials, screen and vertical walls. These create framing of views of the Mediterranean and the principality and large spaces.
