Sumptuous and spacious apartment occupying an entire floor of an exceptional modern building, located in a quiet and residential area. Considered one of the most beautiful buildings in the Principality, this emblematic property was designed by the famous architect Jean-Michel Wilmotte.

The apartment has a large living area with a living room opening onto a large terrace, offering a breathtaking panoramic view of the Principality, the Prince's Palace and the blue immensity of the Mediterranean Sea.

This property integrates all modern comforts and high-end services, including home automation, a sound system integrated into the ceiling, underfloor heating and individually adjustable air conditioning in all main rooms. The minimalist full-height floor-to-ceiling windows create a harmonious connection between the indoor and outdoor spaces, enhancing the spectacular views that surround the property. The apartment has 5 bedrooms, each with its en-suite bathroom. The master suite opens onto a large terrace

and has a home cinema, a double dressing room and a wellness area with jacuzzi.

Luxury services and finishes throughout the property.
