Excellent location for this space located in the Shopping Mall of the Metropole. The nail salon has 4 workstations.

Located in the heart of the prestigious Metropole shopping mall in Monaco, this nail business benefits from a very high visibility location, in a high-end environment and a local and international clientele.

The premises are perfectly fitted out and operated, offering 4 functional workstations, allowing immediate activity without additional investment. The space is optimized, bright and complies with current standards, ideal for a quick recovery.

This business represents a rare opportunity for a professional wishing to set up or develop his or her business in one of the most sought-after commercial sectors in the Principality.
