Saint-Tropez Village

A rare opportunity in the heart of a private and refined residence, offering walking distance to the entire corsair city.

Inspired by the architecture of the bastides, this contemporary realization combines elegance and comfort. Each level houses a single 170 sqm apartment, for a total of only four units—all designed with high-end amenities.

The apartments benefit from magnificent terraces extended by private gardens on the lower levels. The residence, built to impeccable standards, also offers underground garages and a shared swimming pool.

An exceptional address just a few dozen meters from the famous Place des Lices and the port of Saint-Tropez—the ideal opportunity to treat yourself to a superb Saint-Tropez pied-à-terre.
