Nestled at the gateway to the Principality, the Villa offers an elegant and contemporary setting. Light travertine, bay windows and clean lines create bright spaces, open to the Mediterranean.

The reception rooms, generous and bathed in light, open onto the outside. A custom-made kitchen harmoniously completes the living spaces.

The villa has four suites, each with its own marble en-suite bathroom, offering comfort and privacy.

A private elevator serves the different levels of the property.

Outside, the terraced gardens host several landscaped relaxation areas, with an unobstructed 180° view of the Mediterranean and the coast.
